AIIB23 Data Agreement Consent

Please kindly review the document thoroughly and sign it before returning it to aiib23.miccai@gmail.com. After careful assessment, organizers will send data access links to you.

Please find the following guidelines and instructions:

1. Participants should register with their real names, affiliation(including department, the full name of university/institute/company, country) and affiliation E-mails.

2. Participants are not allowed to transfer the dataset to others. The challenge data and results will be freely available for academic use only after the challenge results have been published. All participants must agree to the CC BY-NC-ND license.

3. To ensure a fair comparison, participants are not allowed to use any additional data or pre-trained models.

4. Participants can only register with one team and account.

5. All individuals who use our dataset must obey the citation rules. If using this dataset in your paper, you are required to cite the following papers:
